Introduction:-

EDC (Entrepreneurship Development Cell) was established on 7th March 2016 with a vision to bridge the gap between Industry and Academia.

The cell undertakes several activities for student development wherein the student gets corporate exposure while studying and develops a spirit of entrepreneurship.

This enables student capability enhancement as well as their alignment with Industry. This way the EDC at one stroke creates a win-win model for students as well as Industry.

Entrepreneurship development cell bridges the gap between ideas to the market product.

Entrepreneurship development cell has taken a greater responsibility to generate the entrepreneurship skills among the students and to help them to channelize their goals to become a versatile entrepreneur.

Nootan College of Pharmacy has created “Entrepreneurship Development Cell” as per the guidelines of Centre of Innovation, Incubation and Linkages.

Objectives of Entrepreneurship Development Cell:

- This Scheme is launched with a view to encourage students in AICTE approved polytechnics and degree technical institutions to consider self employment as a career option, provide training in Entrepreneurship through modular courses and increase the relevance of Management particularly in the non-corporate and under managed sectors. Following are the objectives of the scheme:
- To create an environment for self-employment and entrepreneurship development through formal and non-formal programmes.
- To introduce the concept of entrepreneurship in curricula at diploma and degree levels.

- To develop management personnel at appropriate levels for the non-corporate and unorganized sectors like education, rural development, small-scale industry etc.
- To utilize the infrastructure facilities and technically trained manpower for the development of non-corporate and unorganized sectors.
- To promote employment opportunities

VISION

To develop “ignite” as the hub for the best Entrepreneurial and Professional Talent.

MISSION

- 1) To act as an institutional mechanism for providing various services including information to budding student entrepreneurs.
- 2) To create Entrepreneurial culture in the Institution.
- 3) To prepare the students to face the real world business scenarios. To catalyse and promote employment opportunities.
- 4) To extend necessary guidance and exposure to the students To prepare a skilled workforce conduct for taking long/short term assignments of corporate/industry.
