Introduction:-

On 16th January 2016, the Honorable Prime Minister Shri. Narendra Modi launched the 'Start-up India' program. Industry connect program is a unique initiative of the institute that takes learning beyond academic boundaries into the domain of industrial world, in a step by step manner.

Nootan College of Pharmacy has created “Startup & Innovation Cell”, as per the guidelines of Centre of Innovation, Incubation and Linkages.

Objectives of Startup & Innovation Cell:

- To create awareness about entrepreneurship by periodically organizing Workshops, Lectures and other activities that can facilitate knowledge creation and innovation.
- To develop entrepreneurial skills among students and faculties.
- To promote and foster the spirit of entrepreneurship.
- To promote new technology/ knowledge/ innovation-based startups.
- To build a vibrant startup ecosystem, by establishing a network between academia, financial institutions, industries, and other institutes.
