### Introduction:

Intellectual property is a category of property that includes intangible creation of human intellect. Intellectual property broadly encompasses Copy rights, Patents, Trademarks, Designs, Trade secrets, Trade dress and Geographical Indications.

**About the Cell:** The cell is established on 1st Aug 2020. The purpose of The IPR cell at Nootan College of Pharmacy is to organize, disseminate, enhance for the high legal and scientific vision of IPR. The cell looks forward to assisting and accelerating the interaction with industries for sustained growth in IPR to contribute to the wealth creation of the nation.

**Vision of the Cell:** To become landmark for the creation of human resources in the field of Intellectual Property Rights (IPR) in the knowledge value chain of the Nation.

**Mission of the Cell:** The mission of the IPR Cell of Nootan College of Pharmacy is to create awareness and provide guidance to academic and non-academic staff, students, scholars, and outside agencies on the practices regarding intellectual property rights and obligations.

**Objectives:**

1. To create awareness about IPR among faculty and students particularly in regard to copy rights.
2. To conduct workshops/seminars on IPR.
3. To encourage creative and innovative research among faculty and students leading to the creation of new knowledge, invention and ideas in all disciplines.
4. To assist faculty and students to file patents and train them in patent filing procedures.

**Scope:**

1. IPR cell shall guide and also assist both faculty and students of Nootan College of Pharmacy in copy right protection and assessment of patentability. It will also guide them to apply for patent/copy right.
2. The Faculty members and students desirous of filing an application for patent or any other IPR shall submit the details to the IPR cell to its working President/Convener duly signed by the Principal Investigator.
3. IPR cell shall scrutinize the proposal and assist the applicant to file the patent and forward the same to the concerned authority.
